

WHAT IS FSS?

This program is designed to help anyone on the section 8 or Public Housing Programs. On FSS you will receive one-on-one case management to help you and your family become self sufficient. Our coordinators work to refer you to different resources in order to help you achieve the goals you have for your family.

EARN MONEY AS YOU GO!

HASA establishes an interest-bearing escrow (savings) account for each FSS participant. As you work toward your goals, and your earned income increases, HASA makes contributions to this account. If you complete your FSS goals and contract, you receive a check equal to the amount in the FSS escrow account. The savings can also be used while you are on the program to pay for costs related to achieving your goals
